

INDEX REQUESTS and COMPLAINT POLICY

Questions regarding indexes are best addressed by contacting the Index Production Team at production@vettafi.com. If a stakeholder is not satisfied with responses received they may decide to make a formal complaint.

For complaints, VettaFi has a formal complaint process that is monitored and archived for 5 years. Complaints should be related to index quality, determination, application of index methodology, index values, and other decisions related to determination and dissemination. Complaints will be investigated by personnel independent of any personnel who may be or may have been involved in the subject of the complaint. VettaFi will acknowledge receipt of a complaint within 3 business days and respond to the substance of the complaint within 8 business days. If a complainant is not satisfied with the resolution, they can escalate their concerns to Index Governance which will acknowledge receipt of a complaint within 3 business days and respond to the substance of the complaint within 8 business days.
