North Shore Global Uranium Mining Index (ticker: URNMX) rebranded as VettaFi Global Uranium Mining Index

New York, New York - Thursday, March 12, 2026

VettaFi, who acquired the North Shore index in October 2025, is rebranding the index under the VettaFi name as of 4/30/2026. It will also take over calculation of the index at that time. VettaFi is proud to support this addition and to offer investors exposure to this important asset.

About VettaFi

VettaFi, a data, analytics, and thought leadership company, is transforming financial services from an industry to a community—one relationship at a time. In addition to providing interactive online tools and research, VettaFi offers asset managers an array of indexing and digital distribution solutions to innovate and scale their businesses. With \$85 billion in assets benchmarked to its indexes – and more than 200 customers globally – asset managers look to VettaFi for benchmarks and best-in-class index solutions at competitive prices.
