The GLIO VettaFi Global Listed Infrastructure Index provides exposure to globally listed companies which own and/or are operators of infrastructure assets.

About the GLIO VettaFi Global Listed Infrastructure Index Series

- VettaFi has partnered with the Global Listed Infrastructure Organisation (GLIO), the representative body for the \$3.5 trillion market capitalization listed infrastructure asset class.
- GLIO raises investor awareness for the asset class through research, data, education, and events.
- The Index series goes beyond the simple industry classification for company selection, by using industry accepted EBITDA, rather than revenue, to determine infrastructure relevance.
